Our Eco-Code

- We will recycle all our waste paper.

- We will save energy by turning off lights when we do not need them and by closing doors to keep the heat in.

- We will improve our environment by not dropping litter.

- We will try to turn off taps straight away.

- We will improve our environment by planting and growing things.

- We will add some of our fruit waste to our compost bin.

- Most importantly, we will always try to encourage others to be environmentally friendly!
