Farewell

Sadly, we say goodbye to Miss Parson on Tuesday 20th October, who is leaving to get married and start a new life in Ireland. I would like to thank Miss Parson for her hard work, support and dedication over the past three years. We will miss her greatly and wish her all the best.

DAY- GLOW DAY- DRESS AS BRIGHT AS POSSIBLE!

Friday 23rd October

As the clocks are going back and the nights draw in we are having a Dayglow day on Friday 23rd October to remind the children to '**Be Bright Be Seen**'. Remember please do not feel the pressure to buy your child new clothes – simply find your brightest, loudest clothes in your wardrobe or dress up box and remember the brighter the better!

Small prizes and certificates will be awarded for the brightest outfits in each year group! We would like to take the opportunity to raise some money for our charity of the year so please donate whatever you can. Our charity this year is Young Minds, which is a charity that supports the mental health of young people. To make things 'Covid' safe buckets will be placed outside each classroom door for your donations.

Parent Consultation

We will host our parent consultations after half term during the weeks of 2nd Nov & 9th Nov. This will give parents the opportunity to discuss your child's progress and learning with your child's teacher. More details to follow shortly.

Parking

As the weather is turning colder, we would like to remind you not to park on the yellow lines on the road outside the school. This is very dangerous when the children are coming and going during the school day, and is also illegal. Please help us to keep our children safe and park away from the school.

Flu Immunisations (Reception – Year 2)

The flu immunisation team will be in school on Friday 23rd October to give Reception, Year 1 and Year 2 children the nasal flu vaccine. **Please return your form if you have not already done so.**

Online Safety

Please find below a website link to support you with online safety. This may come in useful as we approach half term. <https://parentinfo.org/>

Art Display

The beautiful butterflies have taken flight and they look amazing! They fill the school with rainbow colours and they fill us with hope and happiness.

The dandelions were created by the children by using their own cut out hands and artwork to decorate. They are all unique, but joined in unity they become a spectacular flower head '**Make a wish!**'

Inspirational quotes have been added to keep us all uplifted and positive throughout the day!
