Wednesday 13th January 2020

Dear Families,

I hope you are all well. As you know, there are very high rates of transmission of the new covid variant in our area. We have been advised by Redbridge that all primary age children should now wear a face covering in school. We have discussed the matter fully and have decided that due to the very young age of our children and their ability to use and wear a mask appropriately, that it will be optional for children to wear a mask in school. If you feel that your child would be able to wear a face covering safely, please provide a suitable high quality/clean face covering daily and instruct your child on how to wear it responsibly. I have attached guidance on how to put on, use, take off and dispose of a mask.

Our staff have been wearing masks in school since September in all communal areas and on the school gate but we have now taken the decision for staff to wear a face covering in classrooms too to protect our whole community.

If you would like to discuss the matter further, please do contact us.

Kind regards,

Mrs Julie Anderson

Headteacher
