## Writing in school this week

We have been amazed with the effort and determination our children have put into their writing this week - Mrs Anderson has awarded lots of Headteacher awards! Keep growing and learning everyone! Take a look at our work.....

Lora and Ishta have produced some amazing stories about a princess named Cinnamon.

James has written a poem about The Great Fire of London

Mahir has been writing about being a dog trainer.

Painting has been very popular in nursery this Week with children producing some fabulous pictures and exploring mark making.

## Bringing your child to school in the morning

It is so lovely to have the children back in school and they are obviously very excited to be back. Could we remind you that you do need to have your child stay with you on the way down the slope when they are coming into school.

We appreciate the children are excited but we would like to avoid accidents by children running down the slope and the worry of children realising that they do not know where their adult is as they have run away from them. Thank you for your understanding about this.

## Easter Egg Hunt

The PTA will be holding their Easter egg hunt for all children on Thursday 1<sup>st</sup> April. This year the PTA is providing the eggs free of charge so there will be no charge to parents!

Dairy free eggs are available for those children with allergies.

If you do not wish for your child to take part in this event, please let us know by Wednesday 31<sup>st</sup> March by emailing the school's admin mailbox.

## Spring Bloom Dressing up Day

Thursday 1<sup>st</sup> April is dressing up day for the children. We would like children to wear brightly coloured clothes. However, there is no need to buy anything new, just something bright that they already have in their wardrobe.

## Make memories. Foster for Redbridge.

We often take some things for granted. Taking our children to the park or to a playground; jumping in puddles; getting your wellies stuck in thick mud.

Many children in Redbridge, however, have never experienced these fun and free activities.

A care leaver who wishes to remain anonymous remembers the time that she was fostered and had a picnic in a park:

"I had never had a picnic in a park before. I was 11. It was so exciting."

If you would like to create happy memories for our most vulnerable children and are considering fostering, please email [fostering@redbridge.gov.uk](mailto:fostering@redbridge.gov.uk) or call us on 020 8708 6068.
