Autumn Term – Issue 02

13th September 2019

A big 'Hello' and 'Welcome' to all our new Reception children who have now started their school journey here at Churchfields Infants and Nursery. It has been lovely popping around to the classes to meet all of our new children.

PARENT WORKSHOPS

Please take note of the dates for our curriculum workshops. You will receive letters nearer the workshop dates giving more details. To accommodate as many parents as possible each year group has one evening session and one daytime session. Please note that the content of these will be exactly the same, so there is no need to attend both. Please do come along to one of these sessions as there will be an opportunity to meet your child's teacher and there will be lots of useful information about the year group including the curriculum that will be covered this year. We look forward to seeing you at the relevant workshop for your child.

KEEPING IN TOUCH

As you may have seen, we are busy creating our exciting, new website which we will launch in January. Please look at our Newsletters, which are displayed on our notice board, inside the Nursery and on the website, to keep up to date with news and events. Please also follow us on Twitter @churchfieldsinf.

SCOOTERS

As you know, our school is accessed by a steep slope which is busy and crowded during drop off and collection times. Unfortunately, it is simply not safe to allow our pupils to ride on scooters with the number of children and their families who are present before and after school. Many of our families have younger siblings and we would not wish to see anyone injured by children riding scooters down the slope or in our playgrounds.

I understand that for many, encouraging your child to ride to school on a scooter has many benefits and helps to keep our children active and healthy. I am continuing to investigate the possibility of installing a scooter park to enable children to ride to school but space is very tight with our 480 pupils who may wish to use it.

In the meantime **please do not bring scooters** onto the school premises and help us to maintain the safety at our school for all our children and their families.

Thank you for your continued support.

Mrs J. Anderson
Head teacher

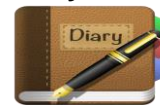

ARCHERY

Year 2 have been having fun learning archery during their PE lessons. Year 1 are looking forward to starting multi skills next week.
