Spring Term Issue 19

23 April 2021

Welcome back!

I hope you all had a relaxing and restful Spring break.

It was lovely to see the children back after the busy three week settling-in period during March.

We are sorry again for any inconvenience due to the water issues causing our school to close early at the beginning of the week, and thank you for your understanding. Texts and emails were sent to all parents/carers in Reception, Year 1 and Year 2 classes – if you did not receive these notifications, please give your latest contact details to the School Office.

Polling Day

Please note that the Infants' School and Nursery **will be open** on Thursday 6 May.

Healthy Eating

We always promote healthy eating, whether children have school dinners or bring their own packed lunch each day. Please avoid sweet snacks and chocolate treats in your child's lunchbox – we provide fruit for break times.

We have children and staff with nut allergies who use the dining hall, so children should not bring any food items containing nuts in their packed lunches. Thank you for your co-operation.

Reception Places

Applicants for a place in Reception should have received an email from the borough on the evening of Friday 16 April. If you are still unaware of the outcome, please check your junk or spam folders. Offers need to be viewed and accepted on the eAdmissions Portal.

The deadline for responses on the eAdmissions Portal is 23.59pm on 30 April 2021.

SIMS Parent App Lite

Activating your SIMS Parent account is quick and easy! A letter and documents giving you all the relevant details and information will be emailed to parents/carers next week.
