Summer Term Issue 26

18 June 2021

Thank You

We would like to say a huge thank you to all our families and children for parking their bikes and scooters so responsibly and then taking them back home after drop off in the morning! This has made a huge difference and is greatly appreciated.

Also, please take advantage of the Derby Road Car Park to 'walk and stride' and keep the roads clear and our children safe.

Class Photos

The photographer will be in on Tuesday 22 June to take class photos.

Please send children in to school wearing the correct uniform and looking extra smart.

Philosophy Friday

Have a go at this question at home with a grown up!

Children in **Year 2** have been learning about capacity this week. Here are some pictures of them making their very own fruit punch. They measured out each juice then combined them to make a whole litre, which they then had to share equally between their group....

.... in RE the children have been learning about the Qur'an. They presented news reports telling their classmates all about what they had learnt.

Year One have been painting beautiful art work inspired by the artist Andy Warhol.

.... in Maths we were learning about capacity, which was followed by enjoying some time playing with the water (making the most of the weather).
