Growing Together: Every Day In Every Way

Thank You!

Thank you to our amazing PTA for organising the Summer Fayre, as well as the Fathers's Day Sale! It was an amazing day and thank you to all families who attended to support the school.

We know how much hard work goes into running the event and appreciate the efforts of all who volunteered, both on the day and beforehand.

As you know, our PTA is very much part of the Chuchfields team, providing opportunities to meet new people and make new friends with other families, and also to raise much appreciated funding that supports our school.

Huge congratulations to the Year 2 children who performed in the choir on Saturday. All of the children sang beautifully and had a standing ovation from the crowd.

We would like to say a special thank you to Mrs Beck and Miss Lowery for organising and practising with the children.

Lost Property

We have lots of items in our lost property. They will be left outside the office on the table, please come and check to see if anything belongs to your child.

Sun Protection

Please can all parents and carers provide their children with a sun hat, water bottle and apply a high factor sunscreen in the morning, before school. Please do not send in sunglasses for health and safety reasons.

Philosophy Friday

Have a go at this question at home with a grown up!

Where would you rather sit... On a pin or in some beans?

Why?

DIARY DATES :

Class Photos
21st June

Year 1 Trip
28th June

INSET Day
8th July

Year 2 Trip
12th July

Big Dance
15th July

Last Day of Term
21st July

For other important dates, please visit the Calendar page on our school website

Reception Butterflies

The children in reception have been learning about “growth” in science and we have learnt about the lifecycle of butterflies. We have looked after and watched our butterflies start from small eggs, to caterpillars, then watched as they spun their chrysalis and finally became a beautiful butterfly.

This week we released them into the playground.

The Dental Team

Did you know that 39% of children in Redbridge suffer tooth decay by the age of five? However, tooth decay is largely preventable.

We are very happy to have been offered a parents' engagement session by the dental team where you will receive information about tooth decay and tips to keep your children's teeth healthy, as well as being able to ask any dental related questions. The session will be held on Microsoft Teams **on Monday 20th June at 5pm** and the link is given below.

We hope that you will be able to attend and that you find this session helpful.

Microsoft Teams Meeting

Join on your computer or mobile app [Click here to join the meeting](#).

PTA Newsletter

If you would like to receive updates on events and fun activities from our PTA, please go to www.pta-events.co.uk/churchfields and sign up to their newsletter and so much more.

Foster For Redbridge

Be the role model they need! Children need role models in their life to help to shape their morals, beliefs and behaviour. Over 200 children in Redbridge are unable to stay at home for a variety of different reasons and need foster care. Be the positive role model that they need and help to change their life.

If you have space in your heart and home to foster for Redbridge Council, call us on 020 8708 6068 or email fostering@redbridge.gov.uk.
