Growing Together: Every Day In Every Way

What A Fun Week!

We think pictures speak louder than words. Please take a look at the photos below to see all the fun, enrichment activities that have been taking place across the school this week. Thank you to all parent volunteers who have helped this week, we appreciate your support and hope that you had lots of fun too.

Sports Day

Year 1 children had a fantastic sports day this week. They took part in a range of events and had great fun. This is the first time that we have been able to hold this event since 2019 and we are very proud of how well the children did.

Philosophy Friday

Have a go at this question at home with a grown up!

Where would you rather live... In a treehouse or in a submarine?

Why?

Nursery Library Visit

Nursery children have been visiting the library this week, they have enjoyed looking at books and listening to stories in the lovely children's section. We also borrowed books to bring back to nursery. We would like to say a big thanks to all the parents who accompanied us.

Year 1 Visit

Year 1 children had a great time visiting Call of the Wild Zoological Park.

Reception Visit

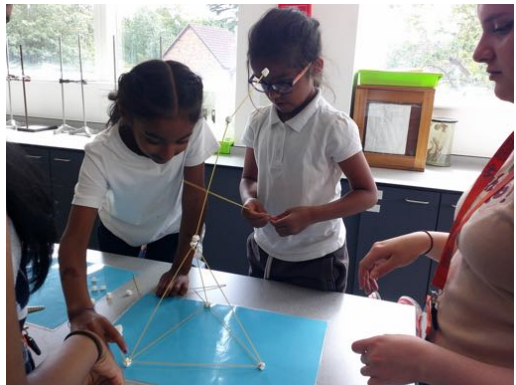

Reception children visited Elmhurst Gardens.

Science Week

All the children enjoyed Science Week.

End Of Year Reports

Reports will be given out on **Wednesday 6th July**. If you are unable to collect your child's report and would like someone else to collect it on your behalf, please inform the school office. Thank you.

Meet Your New Teacher

On **Wednesday 6th July at 3:30 pm**, we will hold a session for parents to come and meet their child's new teacher for September. The teachers will be available in our playgrounds so please come and say hello.

Class Photos

The children will have brought their class photos home this week, looking very smart. Please return your orders, with payment and your child's name clearly written on the form, by **Thursday 7th July**.

Book Monitors

Our book monitors were given an important task of ordering new books for our libraries. They were asked to think about books that not only interest them, and their peers, but to also think about books that reflect the children within our school.

New Road Markings

Have you seen the new road markings and signs in and around our school? Does your child know what they are for and what they mean? On your next walk to school, have a talk with your children about road safety and how to keep safe on the roads.

We would also like to say thank you for driving and parking considerately around the school entrance, the safety of our children is paramount and we appreciate your ongoing support.

End of Year Concerts

We are so excited to be preparing to perform our end of year concerts, with a live audience inside our hall, for the first time since summer 2019! We understand that for most of you, this will be the first time you will have been invited into the hall to watch our concerts live so please read the following carefully to ensure the health and safety of all.

As we are a large school, we perform each concert twice to accommodate our 120 families in each year group and ask that the parents/carers from two classes attend on each day. Our school hall is fairly small so please try to attend on your assigned day and keep guests to two per family so we can fit everyone in comfortably.

Please also note that we do not allow siblings or other children to attend our concerts. We know that this may come as a surprise to some of you but this system worked well before the pandemic. Our children have worked very hard to perform for you and, with younger siblings in the audience, it is not always possible to hear our children speak or act. In the past, families have been supportive of this measure and have enjoyed giving their performing child their full attention. Please find suitable arrangements if you have other children. We will be hosting another Big Read very soon and would love to welcome your little ones into school then. We would like to thank you for your support in this matter.

For afternoon performances, we will open the pedestrian gate 15 minutes before each performance is due to begin so please do not feel the need to arrive before this time. For morning performances, we will open the year two gates **at 9:10** so that we can register the children safely before the concert begins.

Please note the following dates and times:

Monday 11th July 11:00 am and 2:45 pm - **Nursery Concerts**

Wednesday 13th July 9:15 am - **Year 1 Summer Concert (Octopus/Turtle)**
