Wishing You All A Wonderful Summer!

It's the end of term and has been one of the hottest weeks I have ever experienced as a teacher! As always, I would like to thank the staff team who continued to work hard to keep our children safe and happy with the exceptionally hot weather. Thanks to all parents and carers for working with us this week too. The reduction in numbers meant that we were able to use the coolest spaces to keep the remaining children safe and comfortable. Thankfully it has been cooler the last two days and we have enjoyed the usual end of year activities together.

Thank you for all of our cards, notes and personal gifts. We have enjoyed reading your kind messages and they really do mean so much to us all. I wish you all a relaxing summer and look forward to seeing most of you back in school in September.

Happy holidays everyone!

Best wishes,
Mrs Anderson

Goodbye And Good Luck Year Two!

Our Year Two leaver's concerts were a huge success this week and the children made us all proud. Well done to all the children who sang beautifully and entertained us with their dancing. I know there were a few tears from families. We will miss you all and wish you the very best as you continue your learning journey.

Philosophy Friday

Have a go at this question at home with a grown up!

Good idea or bad idea if everyone looked the same?

Why?
