Growing Together: Every Day In Every Way

Day-Glow Day!

Today was our Day Glow Day, which is an integral part of our Road Safety Week. Children have been learning how to stay safe on the roads, especially as the evenings are darker when the children leave school.

Design & Technology In Year 2

In Year 2 this week, the children have started a new Design and Technology project where we will be designing and then creating our own vehicles. The first step was to explore what wheels and axles are and how many various vehicles need to have. The children experimented with 3 different ways to attach their wheels and axles to a vehicle; cardboard triangles, straws and clothes pegs. They had lots of fun working cooperatively to create their vehicles and we then discussed the pros and cons of each method ahead of creating our own designs next week!

Book Corner Competition

We are pleased to announce that the winner of our book corner competition is...

Octopus Class!

The children and adults have all worked extremely hard to create a wonderful reading space. Well done everyone.

Year 1 History Workshop

This week our Year 1 children took part in a fascinating workshop run by historians from Epping Forest Museum. They travelled back in time 150 years, beyond living memory, to find out if toys that children played with in the past are the same or different to toys now. The workshop enabled the children to develop their historical enquiry skills as they looked carefully at a diary from the past and handled artefacts. The children impressed our visitors with their observation skills and thoughtful questions.

PTA Christmas Fayre

The PTA are collecting Christmas tree chocolates for the fayre.

Our PTA would be grateful if they received any donations of chocolate Christmas tree decorations by Friday 1st December. We would also appreciate any dairy-free and nut-free options to accommodate those with allergies. Please bring any donations to the school office.

Attendance Bear

The winners for the week beginning 13th November are:

1st Giraffe, Octopus, Starfish 97%

2nd Turtle, Jaguar 96%

3rd Koala, Panda 95%

Well done everyone!

Book Competition

Thank you so much to everyone that entered our 'Don't Judge a Book By Its Cover' Competition. We had a large number of entries which made it really difficult to select the winners. All entries were very much valued and the children have explored lots of book talk from taking part in this activity. There were some super titles.

Your child may wish to write their story and we will be able to share them with their teachers and peers in school.

We have chosen a winner from each year group and they are:

Elizabeth in Squirrel Class, Jacob A in Octopus Class and Alra in Jaguar Class.

We also have two bonus winners for outstanding effort.

Theo in Giraffe class was selected, not only did he create an exciting front cover, he also wrote the first chapter of the story!

Nico in Butterfly class was also selected because he has been working hard on his fine motor skills both at school and home. His creation was absolutely beautiful and he had clearly put a lot of hard work into it.
