Day Glow Day!

We have had so much fun dressing up in our brightest clothes as part of Day Glow Day. We have been learning how we need to be bright and stay safe as the mornings and evenings become darker when the clocks change next weekend.

Thank you for your donations for our charity - Water Aid. Donations are being counted at the moment but we will let you know how much money we have raised after half term. For more information about the wonderful work Water Aid do, please visit www.wateraid.org/uk.

PTA Thank You

Thank you to our amazing PTA for organising both the Halloween Cake Sale and the Halloween Disco. We know an incredible amount of hard work and organisation goes into these events and we appreciate everything you all do.

Covid-19

If your child develops any one or more of the three official Covid symptoms, even if they are only mild (a high temperature, a new, continuous cough, a loss or change to sense of smell or taste) they must arrange a PCR test (not just a Lateral Flow Test) as soon as possible. Please follow the Stay at Home Guidance. The isolation period includes the day symptoms started (or the day the test was taken if no symptoms), and the next 10 full days.
