Growing Together: Every Day In Every Way

Holi Festival

Holi is a popular ancient Hindu festival, also known as the Festival of Spring, the Festival of Colours or the Festival of Love.

We learnt all about the two-day festival and how it represents new beginnings. We found out why powder paint is thrown and what each colour represents.

Red - for love

Green - for nature and spring

Blue - for the Gods

Yellow - for knowledge and learning

Philosophy Friday

Have a go at this question at home with a grown up!

Would it be a good thing or a bad thing... if people walked on 8 legs?

Why?

Foster For Redbridge

Although I'm not their mother,

I care for them each day.

I cuddle, sing and read to them,

And watch them as they play.

I see each new accomplishment,

Growing and learning over the years.

They proudly show their work to me,

I give the loudest cheers!

No, I'm not their mother,

But my role is just as strong.

I nurture them and keep them safe,

Though maybe not for long.

I know someday the time will come,

When we will have to part.

But I know each child I cared for,

Is forever in my heart.
