Growing Together: Every Day In Every Way

Welcome Back!

Welcome back to school everybody! We hope you all had a relaxing and restful Spring break. It was lovely to see the children back this week and ready to learn.

Happy Earth Day!

The Nursery children have made shakers from junk for Earth Day. They used boxes, pots and bottles and put pasta, rice or lentils inside to make a sound. They have also been planting seeds and potatoes, learning about recycling, playing with natural materials and painting with 'Earth Day' colours.

Philosophy Friday

Have a go at this question at home with a grown up!

Would you rather be left in a room full of ticking clocks or beeping horns?

Why?

DIARY DATES:

May Bank Holiday
2nd May (school closed)

The Big Read
13th May 2:45-3:15

Half Term
30th May - 3rd June

INSET Day
6th June

First Day Back
7th June

PTA Summer Fayre
11th June

PTA Father's Day Sale
16th June

For other important dates, please visit the Calendar page on our school website

Reception have been making shakers out of recycled materials and learnt about plants and what they need to grow.

Year 1 and 2 have been making pledges on how to save the planet as well as making bird feeders.

We have all been watching videos about reducing, reusing and recycling.

To play our part as a school, we will be keeping our lights off in rooms that are not in use to

Nursery's Animal Workshop

The Nursery children had a very exciting visit from an Animal Workshop this week. We were able to meet all sorts of animals, including a rabbit, a hedgehog, a skunk, a meerkat, a millipede, a giant stick insect and a tortoise. To finish off, a snake slithered over our laps!

The Big Read

The Big Read will be held on Friday 13th May at 2:45 - 3:15pm.

We are very excited to welcome parents/carers into school for a Big Read! To limit the numbers indoors, we will be setting up a space inside your child's classroom as well as outside in the playground.

If you have more than one child in school then two adults may come, or one adult can come and spend 15 minutes with each child.

However, this event will only be for our Infants' children and not Nursery.

We promote a love of reading within school and it is so valuable to model this at home too.
