Growing Together: Every Day In Every Way

Nursery's Chicks

Our nursery children have been very excited this week as we have been watching chicks hatching in the nursery. Ten eggs were delivered on Monday and kept warm in an incubator and we welcomed our first chicks **on Wednesday morning**. All ten eggs have now hatched successfully and the chicks are safely housed in their brood box with a lamp to keep them warm.

The children have been learning about the chicks and how we look after them, as well as finding out about which other animals lay eggs. The chicks will be with us until the end of next week.

Philosophy Friday

Have a go at this question at home with a grown up!

Would it be a good thing or a bad thing if all stories came true?

Why?

DIARY DATES:

Nursery Stay & Play
25th May

The Queen's Jubilee
27th May

Half Term
30th May - 3rd June

INSET Day
6th June

First Day Back
7th June

PTA Summer Fayre
11th June

PTA Father's Day Sale
16th June

What Am I? The Big Reveal...

We are very excited to reveal that next week, we will have a phone-box delivered to school. This phone-box will be transformed into a wonderful lending library for all of our families to enjoy.

We will be asking for book donations in the near future. Keep your eyes peeled for this exciting arrival!

Congratulations to all who guessed correctly, we have enjoyed reading your guesses.

For other important dates, please visit the Calendar page on our school website

Football With Year 2

Year 2 staff have noticed how much enthusiasm the girls in year 2 have shown towards playing and developing their skills in football but have been reluctant to have a go. So we have introduced "Girls Friday" where they have the option to use the football pitch at playtime and lunchtime and are able to play with other girls.

We have observed a large number of boys who really enjoy football themselves, encouraging and sometimes even refereeing the matches. They have been incredibly supportive and helpful, towards the girls, some of who have had limited experience of the game- for now!

Parent Summer Survey

Thank you to all parents and carers who have responded to our survey so far. We have received a high number of responses. There is still time to complete the survey which can be found [here](#).

Our aim is to build strong partnerships with our families so our children can flourish and achieve their very best. We are seeking your views following the pandemic, of the last two years. Please take a few moments to complete our short survey which will help to inform our planning for next year. We really do value your opinions. If you have more than one child, you may wish to complete a survey for each.

The survey will close on **Friday 27th May**. Thank you!

The Queens Jubilee

We are busy planning a day of exciting events for The Queen's Platinum Jubilee. We will be celebrating in school on **Friday 27th of May**. For this day we would like all children to come to school wearing the colours **red, white and blue**.

Please don't feel the need to purchase new clothes for the day, have a look in your cupboards! We are really looking forward to see you all dressed up.

Children's Mental Health

Here are some wonderful free mindful links for children that you may find useful to support our children with their mental health and wellbeing.
