Our Summer Fayre!

We are looking forward to our Summer Fayre that takes place tomorrow on **Saturday 11th June** from **12:00 to 4:00 pm**. Thank you to all who provided bottles for our stall.

We would also like to thank our wonderful PTA and all volunteers who are involved with the organisation both before and on the day. As you know, we really appreciate the additional funding these events generate alongside the opportunity to come together as a school community. We look forward to seeing you there!

Philosophy Friday

Have a go at this question at home with a grown up!

We should share everything. Do you agree or disagree with this?

Why?

Our New Lending Library

We are delighted that our traditional red telephone box has finally been delivered after a long wait! We will be converting the phone box into our very own lending library during the next few weeks which will enable families to donate and choose new books to read.

Well done to all children who correctly guessed from the 'What am I?' clues back in the spring term.

Huge thanks to the PTA who kindly donated the money for the phone box. We are so lucky to have a proactive PTA at our school and it is very much appreciated.

Local Author

Today we had a very exciting visit from local author Emma Mitchell who read her book *Awesome Foursome: New Superpowers*. The children then had the opportunity to ask questions about the book and becoming an author.

If you could have any superpower, what would you have and why?

Nursery's School Adventure

The nursery children had fun this week when they got an opportunity to play in the Reception playground and the Hive in 'big school'.

Nursery Library Visit

D1 Mrs Cordina's group - Monday 20th June at 9.15 am.

D2 Miss Shah's group - Thursday 23rd June at 1.15 pm.

D3 Mrs Nawaz & Miss Moles' morning group - Thursday 23rd June at 9.15 am.

D4 Mrs Nawaz & Miss Moles' afternoon group - Wednesday 29th June at 1.15 pm.

D6 Mrs Weal & Mrs Kaye's afternoon group - Monday 20th June at 1.15 pm.

In order for us to be able to carry out this local trip, we would like to ask for **adult volunteers** to accompany us. Please speak to your child's key worker or send an email to the nursery address. Unfortunately, you will not be able to bring any younger children with you on the trip.

Year 2 Visit

Some of the Year Two children had a fantastic visit on Wednesday to the Discover Children's Story Centre. They travelled by tube (which was very exciting). During their time at the Discover Centre the children explored the exhibition space and took part in a workshop which included games, stories and craft activities celebrating creativity, individuality and imagination. Afterwards they had lunch and a play in the Olympic Park. This was the first of many exciting events and opportunities yet to come.

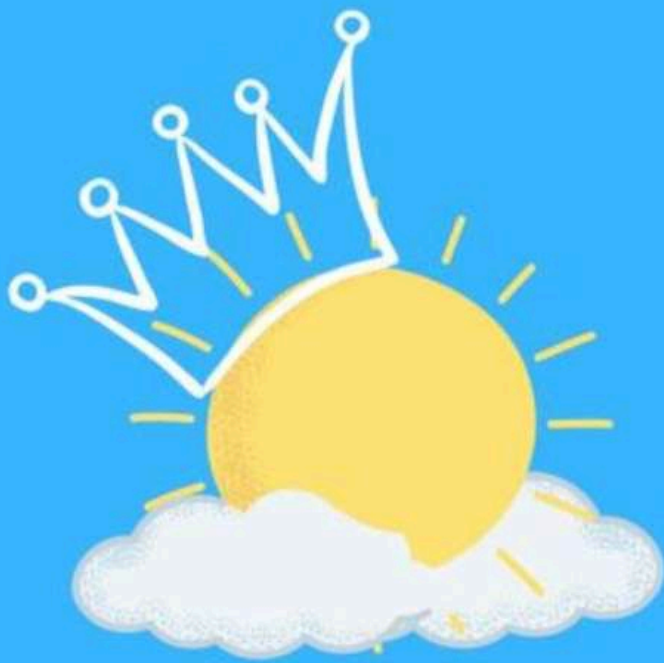

It is so lovely to be able to plan and take part in school trips and extra-curricular activities again with our children. It has been a couple of years since we have been able to do this and these opportunities bring so much to the children and their adults in class.

Please do not worry if your child was not invited to take part in this visit. This visit was entirely free and has not been paid for from the parent contribution. We have tried to ensure that all year two children have the opportunity to take part in either an additional visit, or opportunity before the end of the year. We have planned to take another group of children to a Science day at Woodford County High School in the next couple of weeks, some children are members of the Eco-Committee while others are Reading Champions in school, which means they have additional responsibilities and opportunities, and finally others are representing the school in our choir.

We will be writing to parents next week to outline our plans for our Year Two visit to Colchester Zoo and Year One visit to Call of the Wild so please look out for the email. We will also be asking for parent/carer volunteers for these visits.
