Growing Together: Every Day In Every Way

Eid Mubarak!

On Monday, we learnt about Eid, considering what this festival means to those who celebrate the occasion.

The children enjoyed reading and sharing stories, making crafts and trying lots of different foods, including dried fruit, pakoras and far-far.

Philosophy Friday

Have a go at this question at home with a grown up!

**Everything we can see should be edible.

Year 1 Houses Walk

As a part of their work in geography, Year 1 went on a houses walk nearby to the school. Children had previously learnt about the features of: bungalows, flats, terraced houses, semi-detached houses and detached houses. This meant that they were able to identify examples of these and talk about this with their learning partner.

Miss Williams and Mrs Anderson were very impressed with how much the children had remembered from their lesson last week!

For other important dates, please visit the Calendar page on our school website.

Beep Beep Day

On Wednesday, Reception and Nursery took part in Beep Beep Day. The children learnt all about road safety. They talked about how to stay safe when in the car (by using seatbelts and the correct booster seats/car seats), how to stay safe when walking next to the road (by staying away from the roadside) and the importance of holding the hand of a grown up.

Children also practised crossing the road (using a Zebra Crossing which Mrs Mehmet had kindly put together) and learnt the rules about crossing safely.

Nursery's Library Visit

This week, Nursery children have visited the library. They have enjoyed looking at books and listening to stories in the children's section.

They were especially excited to borrow some books and bring these back to Nursery to share together.

We would like to say a special thank you to all of the parents who accompanied us.

The King's Coronation

We will be celebrating King Charles III's coronation in school on **Friday 5th May**. For this day we would like all children to come to school wearing the colours **red, white and blue**.

Please don't feel the need to purchase new clothes for the day, have a look in your wardrobes and see what you already have!

The Big Outdoor Read

We are delighted to invite you to our Big Outdoor Read on **Friday 12th May at 2:45 pm**.

Our previous Big Read sessions have been extremely successful and have been enjoyed by both adults and children. Weather permitting, we will aim to sit outside so please bring a picnic mat/blanket and we will provide the books.

We look forward to seeing you in school!

Nursery Stay & Play

Come and spend some time playing with your child in Nursery!

Nursery are hosting a Stay and Play on **Friday 12th May**. Younger children are welcome to join but must be kept with you at all times. Please remember not to use mobile phones while on-site.

Morning sessions: 8.45am-10 am. Afternoon session: 12.45pm-2pm.

Parents of full-time children from 1pm.

Pre-Loved Book Sale

As you are aware, we have changed our Phonics Scheme this year and therefore have a selection of books that we no longer require in school. As always, we are thinking of ways to look after our planet by reusing and recycling.

There will be no set donation price and we are very grateful for any amount that you can give. All donations will go towards buying new books for our libraries.

The book sale will take place outside the office on **Friday 12th May** from **8:30am-9:00am**.
