Tuesday 10th September 2024

Dear families,

Ofsted Outcome

After a few weeks patiently waiting, I am finally able to publish the Ofsted report following our inspection which took place towards the end of last term on 3rd and 4th July 2024.

I am delighted to report that we have been graded as follows:

Quality of Education	Outstanding
Behaviour and Attitudes	Outstanding
Personal Development	Outstanding
Leadership and management	Outstanding
Early Years	Outstanding
Overall Judgement	Outstanding

At Churchfields Infants' School our motto is 'Growing Together: Every Day in Every Way'. I believe that your children are entitled to the very best and our staff and governors work hard to make sure that every child reaches their full potential. I would like to thank all staff and governors for their commitment and dedication, for both their hard work liaising with the inspectors on the days of our inspection, and also their commitment to our school every single day. I think our school is truly exceptional and a wonderful place to learn and grow so I am pleased and proud that the Ofsted inspection team saw this too. Please take time to read the full report. It is also fair to say that due to a limited word count, there were many other positive comments about the school that do not feature in the report. Highlights include:

The school has very high expectations. These aspirations are realised. Staff work to ensure that pupils achieve the best that they can.

The school has planned precisely what pupils will learn and when this will be taught. This ambitious curriculum is designed and tailored to meet the needs of all pupils.

This nurturing environment means that pupils receive an excellent educational experience at this school. Staff know children exceptionally well.

Pupils behave extremely well. This is because the school is clear about its routines and expectations.

I am proud to be the Headteacher of Churchfields Infants' School and know that children thrive when families and school work together in partnership. The Ofsted team noted that a high number of families completed the ParentView Survey leaving many positive comments, so thank you for taking the time to share your views. I would also like to thank you for your support throughout the inspection, whether that was wishing us well during the inspection or bringing in treats for staff.

I am immensely proud of the children who made the inspectors very welcome and it was noted that they were able to discuss their learning and school life with maturity and sophistication.

Moving forward, we will continue to strive to offer the very best in education, set very high expectations and encourage all to develop a love of learning. We look forward to working with you in the future.

Best wishes,

J Anderson
