Spring Term – Issue 19

31st January 2020

LOVING LANGUAGES

Our school language of the term for the Spring term is Bulgarian. The children in years one and two will be learning some words in Bulgarian and there are displays around the school. If you speak Bulgarian at home and would like to come and read a story in your child's class, please speak to your child's teacher.

NEW WEBSITE

We have been working hard to create an engaging and user friendly school website. We are hoping it will 'go live' within the next few days. The domain will remain the same:

www.churchfieldsinfant.com

We will continue to add pages, information and photos over the next few weeks so please visit regularly. We hope to add some of the items that were previously on Fronter. We hope you enjoy using our new website and please let us know what you think. We will continue to send personal updates regarding your child's learning via Marvellous Me.

PARKING OUTSIDE MILNE AND CEDAR COURT

We've had complaints from residents re parking, and that the disabled bay is being used by parents from our school. Please respect our neighbours by parking in designated areas. The disabled parking space is for **badge holders** only - we also have pupils with disabilities whose parents need to use that bay. Drivers may risk being prosecuted by the borough or the police. Many thanks.
