Introduction

“Growing together: Every Day in Every Way”

The school motto at Churchfields Infants' School is driven by the school's main principle of valuing all of its members and enabling them to grow together as a community with a core culture of inclusivity and diversity. Through our values based approach to education, we are committed to ensuring equality of opportunity and high standards for all pupils, staff, parents and carers. This is irrespective of race, gender, disability, faith or religion or socio-economic background.

Aims

Our policy on school uniform is based on the belief that school uniform:

- promotes a sense of pride in our school;
- helps to create a sense of community and belonging towards the school;
- identifies the children with the school;
- supports our commitment to inclusion;
- prevents children from wearing clothes that could be distracting in class;
- is practical, smart and designed with health and safety and comfort in mind;
- allows the children to be increasingly independent;
- is considered good value for money by most parents;

Legislation and statutory requirements

This policy is based on advice from the Department for Education (DfE) on:

Human Rights Act 1998

Equality Act 2010

Education (Guidance about Costs of School Uniforms) Act 2021

Statutory guidance cost of school uniforms

Non-statutory guidance on school uniforms

Ensure the final policy is published on the school's website so it is easy for parents (including parents of prospective pupils) to access and understand.

Expectations and Principles

It is for the governing board of a school to decide:

- rules around appearance
- whether there should be a school uniform policy and if so, what that should be
- how the uniform should be sourced

These duties are placed upon all governing boards by statute to ensure that school policies promote good behaviour and discipline amongst the pupil body.

The **Governing Board** is expected to:

- support the Headteacher in implementing the School Uniform Policy
- considers all representations from parents regarding the School Uniform Policy and liaises with the Headteacher to ensure that the policy is implemented fairly and with sensitivity.
- ensure that the school uniform meets all regulations concerning equal opportunities.
- ensure that the School Uniform Policy enables children to dress sensibly, in clothing that is hardwearing, safe and practical.

The Role of Parents

Throughout this policy, 'parents' should be taken to include all those with parental responsibility, including guardians and carers.

Parents are expected to respect the vision and values of our school. As per the school's Behaviour Policy, we believe that one of the responsibilities of parents is to ensure that their child arrives for each school day with the correct school

uniform and PE kit and that the child's name is written on all items. Lost property is stored in the school office for half a term only and then given to charity.

The Role of the School

We expect all parents to comply with the School Uniform Policy. If a child does not meet these requirements, the class teacher will discuss the matter with parents. Continued failure to comply will be brought to the attention of the Headteacher for further action.

Religious Dress Codes

Some religions and beliefs require their adherents to conform to a particular dress code or to otherwise outwardly manifest their belief. This could include wearing or carrying specific religious artefacts, not cutting their hair, dressing modestly, or covering their head, all of these are a welcome sign of diversity within our school and society.

Churchfields Infants' is sensitive to the needs of different cultures, races and religions and acts reasonably in accommodating these needs, without compromising our important school policies, such as school safety or discipline. It should be possible for most religious requirements to be met by our uniform policy and our Board of Governors will act reasonably through consultation and dialogue in accommodating these.

Should there be a requirement to conform to a particular religion or belief these additional garments are permitted but must be in school uniform colours – navy blue, grey, or white. Religious arm bangles that cannot be removed must be covered with a sports sweat band.

Jewellery

For health and safety reasons, no jewellery is to be worn in school. This includes **any** earrings for pierced ears.

If jewellery is worn due to religious or cultural purposes, this may need to be covered for some activities, for example, PE for health and safety reasons.

Watches may be worn from Year 1 onwards if they are not a distraction to learning. Smart watches or watches with cameras, games and messaging facilities must not be worn for safeguarding reasons.

Hairstyles

All long hair (shoulder length or longer) should be tied back. Headbands, bows and clips may be of any colour but should not be large, intrusive or impact upon learning.

School Bags

We ask that every child brings a Churchfields school book bag into school every day to carry their belongings. These may be purchased from our school uniform supplier and are free to families who are entitled to pupil premium funding.

Non School Uniform Days

From time to time the school will have non-school uniform days for example, Day Glow Day or World Book Day. Parents will be informed in advance of these days and what dress code is required. It is not expected that parents are required to purchase additional clothes to participate in these fun events.

Equality Impact Assessment

We as a school community have a commitment to promote equality, diversity and inclusion. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Human Rights Act 1998 and the Equality Act 2010 as it is fair, flexible, it does not prioritise or disadvantage any pupil and it helps to promote equality, diversity and inclusivity at our school.

Complaints and challenges to school uniform policy

Disputes about school uniform should be pursued in accordance with the school's Complaints Policy. The Governing Board will consult and work closely with parents to arrive at a mutually acceptable outcome.

Monitoring and Review

The Governing Board monitors and reviews the School Uniform Policy through its committees and by seeking the views of parents, to ensure that they agree with and support the policy. The Board of Governors will consider with the Headteacher, any requests from parents for individual children to have special dispensation or for reasonable adjustments with regard to school uniform.
