Wishing You All A Wonderful Summer Break

Dear families,

This is our last newsletter of the academic year as we finish for the summer holidays on Tuesday 22nd July!

It has been a wonderful year. Please take time to look through [our photo gallery on our website](#) to see the fun and amazing opportunities from the past year. As always, I am so proud of the children who have made fabulous progress. Every day, I see our pupils demonstrating their positive, focused attitude to learning and showing confidence, resilience and determination to do their very best. Thank you for your support at home in their learning journey.

I know you will join me in thanking the whole CIS staff team for their hard work and dedication ensuring that your children are happy, thriving and learning to the best of their potential.

I wish you all a relaxing summer with your families and look forward to seeing you back in school in September. For those moving on, I wish you all the best for the future.

Mrs Anderson and the CIS Team

Farewell Year 2!

The first of our Year 2 leaver's concert was a huge success this week (with our final performance on Monday) and the children made us immensely proud. Well done to the children who sang beautifully and entertained us with their dancing. There were a few tears from families! Year 2 are having lots of fun taking part in farewell activities including our own Churchfields' Got Talent.

We will miss you all and wish you the very best as you continue your learning journey in Year 3.

Philosophy Friday

Have a go at this question at home with a grown-up!

Blue is better than green. Do you agree or disagree?

Why?

DIARY DATES:

Year 2 Leavers Concert

21st July

Last Day of Term

22nd July

First Day Back

(Year 1 & 2)

2nd September

(Nursery & Reception)

Please see individual letters for start date/times.

For other important dates, please visit the Calendar page on our school website.

Reception & Year 1 Concerts

Thank you to all families who attended our concerts this week. We so proud of the children and hope you enjoyed the performances. Thank you to families who donated generously. We are busy counting the funds and will inform the total amount we received in the Autumn term, how we will be using it!

Big Dance 2025!

The entire CIS Team gathered in Year 2 playground today to perform a selection of our dances. It was lovely to have the whole school together keeping fit, developing coordination and having fun. Why don't you ask your child to teach you some of our dances at home! Please visit our website [here](#) to see more photos.

Sending Work Home

Please send your child to school with a named bag (reusable carrier bag, tote bag etc.) on **Monday 22nd July** as we intend to send home the children's work on this day. The bag should be big enough to hold exercise books and various other worksheets/folders.

Year 2 Adventures

PE Fun at Woodbridge School

On Tuesday, Mrs Hinkley led a group of Year 2 children to Woodbridge High School, where they had the exciting opportunity to experience a secondary school PE lesson. The children loved playing Extreme Frisbee with Mr Mahoney, the PE lead. This fast-paced game was a fantastic way to develop teamwork, build resilience, and strengthen their gross motor skills—all while having loads of fun!

Forest School Learning Experience

Then on Thursday, Mrs Mehmet took another group of Year 2 children for a wonderful forest school learning experience. The children explored the natural environment, discovering different leaves, bugs, and other fascinating aspects of nature. These outdoor activities encouraged curiosity, creativity, and problem-solving while giving the children a chance to learn through hands-on exploration.

E-Safety Tip of the Week!

Surfing the internet can be an educational and fun family activity. Here are a few tips for safer use of the internet:

-Check the advice on the following websites

www.getsafeonline.org/personal/article-category/safeguarding-children/NSPCC
www.nspcc.org.uk/keeping-children-safe/online-safety/

-Consider placing the computer/device in a central area of your home where you can monitor it frequently. Get your children used to involvement early. Ask what they're looking at and finding.

-Establish age-appropriate ground rules, including time limits, acceptable areas to access and reasonable consequences - such as denying internet access - if the rules are broken.

-Use blocking and filtering programs available as software or online. They will enable you to monitor or limit your children's internet access. Ask your Internet Service Provider for advice or find further information through Internet Watch Foundation.

-The following website provides helpful resources and support covering a range of topics:
