Growing Together: Every Day In Every Way

Roaring Adventures In Reception

In Reception, we've had an extremely exciting start to the term! First, some mysterious footprints appeared in the playground and then the children discovered a nest (with a green spotty egg inside) in each of their classrooms! They thought about who this egg might belong to and later received a letter from Professor T-Rex (from the Natural History Museum), explaining that it was in fact a dinosaur egg. The eggs have since hatched and the children have been busy finding out about different dinosaurs, voting for their favourite and going on an archaeological dig / becoming palaeontologists to study some special fossils.

Parent Consultations

We are hosting our individual Parent Consultations on **Monday 8th February - 3:40 pm to 7:00 pm** and **Thursday 12th February - 3:40 pm to 6:00 pm**. You would have received a letter with more information and links to book your time slot.

Food On School Site

Please could we take this opportunity to remind you that unless your child is bringing in a packed lunch as their meal option for the day, they do not need to bring other snacks / edible items into school. We have a number of allergies across school, so we therefore need to be considerate of this. With this in mind, please can we also ask that if you bring a snack along for your child to enjoy at home time or after a club, they do not consume this until they are out of the school gates for the same reason.

Thank you for your support with this.

Head Lice

Head lice are a normal part of childhood - surveys of parents found that nearly 1 in 10 primary school children have lice at any one time. If you're a parent then you probably know what a hassle it can be to treat head lice and just how frustrating it can be when your child comes home scratching their head. But, parents, you've got the power to stop head lice in their tracks! By following a simple three step process, Check-Treat-Complete, you can fight back. Please do ensure that long hair is tied back for school, and view the links below if you'd like any further guidance or support:

Nursery Stay & Play

Spend some time playing with your child in Nursery! Nursery are hosting a Stay and Play on **Tuesday 30th January**.

Morning session 8:45 – 10:00 am

**Afternoon session 1:00 – 2:00 pm
(from 12:45 pm for parents of afternoon children)**

Please remember not to use mobile phones while on-site. Younger children are welcome but must be kept with you.

E-Safety Tip of the Week!

Smart TV Controls

Have you got Netflix on a television at home? If so, the attached parent control checklist and guidelines are a great way to ensure that you can manage family accounts and allow your child/ren to enjoy age-appropriate content safely.

How to access viewing history for a children's profile

- You can see the content your children have watched if they have their own profiles on your account.
- Access your **Account** page.
- Open the **Profile & Parental Controls** settings for the profile you want to manage.
- Open the profile you want to see the viewing history of.
- Open the **Viewing activity**.
- Use the **Show More** button to load additional titles if you are seeing a limited list.

Netflix checklist

- Do you know how to set up a children's profile?
- Do you know how to create a profile with a specific maturity rating?
- Do you know how to lock profiles on your account?
- Do you know how to turn autoplay on or off?
- Do you know how to access viewing history for a profile?
